## **FURNATEMP - VACUUM FORMED CERAMIC FIBER MODULES**

The FURNATEMP- vacuum-formed ceramic fiber modules have dense surface, the hot face being harder than the cold face and the core of the material being relatively loose fibers. This gives rigidity of the blocks to carry its weight, elements supporting system and the heating elements over long periods of time and severe thermal cycling.

## **FURNATEMP - HEATING ELEMENTS**

- Spiral type Elements
- SOB (strip) type Elements
- Porcupine or Star type Elements
- ROB (Rod) type Elements

## **FURNATEMP - BUNDLE ROD HEATERS**

FURNATEMP- Bundle rod heaters deliver a much higher power than conventional cartridge heaters. Designed & manufactured in low voltages for faster heating in order to achieve temperatures quickly, these heaters can be mounted horizontally or vertically

## **FURNATEMP - HEATING CASSETTE**

FURNATEMP- HEATING CASSETTE heaters deliver a much higher power than conventional cartridge heaters & Bundle rod Heaters. Designed & manufactured in low voltages for faster heating in order to achieve temperatures quickly.

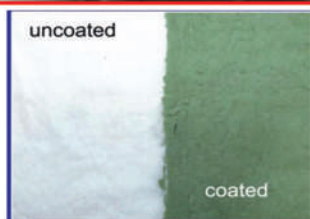

## **FURNATEMP - COIL ON TUBE HEATERS**

FURNATEMP - Coil on tube heaters are easy to install and replace. Easy repair and high performance gives it an edge over others. Custom designed for the voltage and wattage required, Coil on tube heaters are used in heat treat furnaces and die casting machines to molten salt baths and incinerators.

## **emi – save**

High Emissivity Ceramic Coating

- Increases life of the insulation
- Reduces porosity of insulation
- Resists abrasion due to velocity of medium
- Coated layer withstands higher temperature

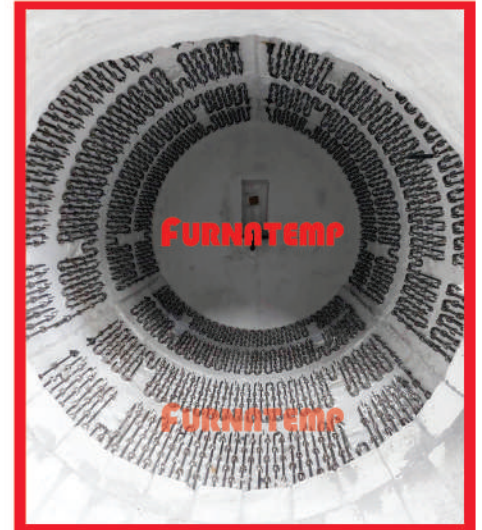

## Vacuum formed Ceramic Side Panel

## Hair Pin / Meander Type Vacuum formed Ceramic Panel

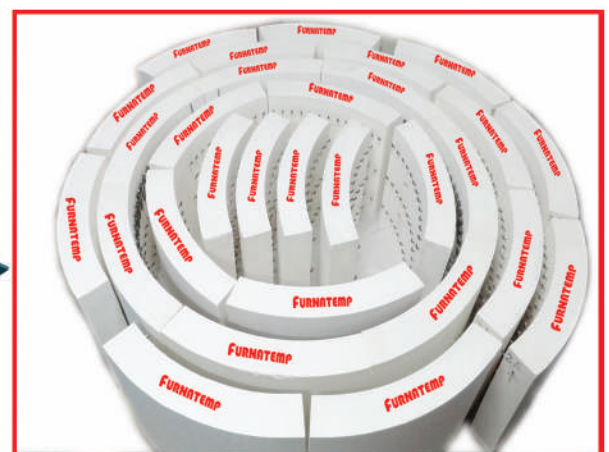

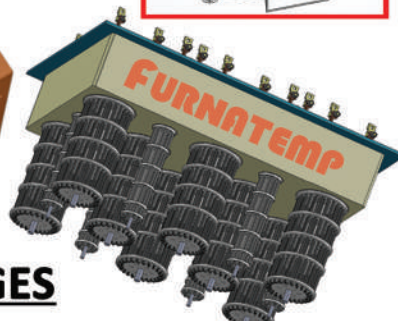

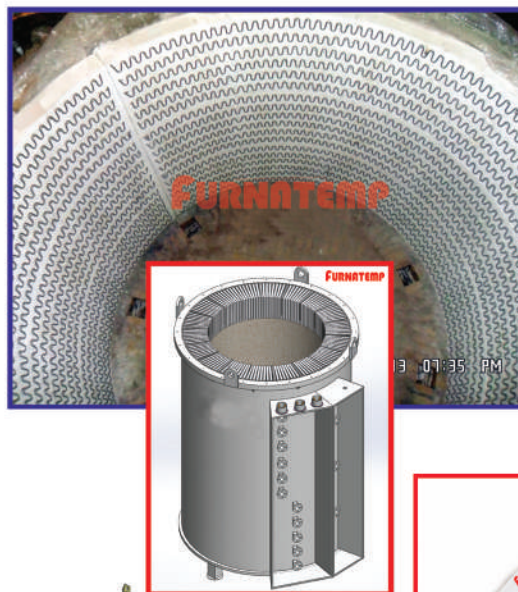

# FURNATEMP

## 1350 KW Furnace

## Strip Over Bend (SOB) Heating Element

## Pit Furnace Installation

## OUR PRODUCT RANGES

Energy Saving Modular Heating Systems  
Vacuum Formed Ceramic Fibre Modules  
Bundle Rod Heaters, Immersion Heaters  
Porcupine Heating Cassettes  
Silicon Carbide Heaters  
Industrial Furnaces & Ovens  
All types of Heating Elements
